

ISO/TS 4958:2024-03 (E)

Nanotechnologies - Vocabulary - Liposomes

Contents		Page
Foreword		iv
Introduction		v
1	Scope	1
2	Normative references	1
3	Terms and definitions	1
3.1	Core terms related to liposomes	1
3.2	Terms related to lipid-bilayer vesicles	2
3.3	Terms related to the components and regions of liposomes	3
3.4	Terms related to the characteristics and formation of liposomes	4
	Bibliography	7
	Index	8
