

ISO 17699:2003-10 (E)

Footwear —Test methods for uppers and lining — Water vapour permeability and absorption

Contents

	page
Foreword.....	3
1 Scope	4
2 Normative references	4
3 Terms and definitions.....	4
4 Apparatus and material	4
4.1 Water vapour permeability test method	4
4.2 Water vapour absorption test method (see Figure 2)	6
5 Sampling and conditioning.....	7
5.1 Water vapour permeability test method	7
5.2 Water vapour absorption test method.....	8
6 Test method.....	8
6.1 Water vapour permeability test method	8
6.2 Water vapour absorption test method.....	9
7 Expression of results	10
7.1 Water vapour permeability test method	10
7.2 Water vapour absorption test method.....	10
8 Test report	11
8.1 Water vapour permeability test method	11
8.2 Water vapour absorption test method.....	11
