Foreword v

Introduction vi

1 Scope 1

2 Terms and definitions 1

3 Safety precautions 1

4 Principle 1

5 Apparatus, reagents and culture media 1
5.1 Apparatus 1
5.2 Reagents and culture media 4

6 Test bacteria 3

7 Preparation of the bacteria cultures 3
7.1 General 3
7.2 Culturing with lyophilized bacteria 3
7.3 Culturing from the agar 3

8 Preparation of test specimens 4
8.1 General 4
8.2 Preparation of the test material 4
8.3 Material for blind tests 4
8.4 Conditioning of specimens 4

9 Test procedure 4

10 Assessment of the tests 5

11 Evaluation 6

12 Test report 6

Annex A (informative) Special specimens and tests 7

Annex B (informative) European Suppliers of ATCC 8
