

DIN EN ISO 4545-3:2006-03 (E)

Metallic materials - Knoop hardness test - Part 3: Calibration of reference blocks (ISO 4545-3:2005)

Contents		Page
Foreword		2
1 Scope		4
2 Normative references		4
3 Manufacture of the block		4
4 Calibration machine		5
5 Calibration procedure		6
6 Number of indentations		6
7 Uniformity of hardness		6
8 Marking		7
9 Validity		7
Annex A (informative) Adjustment of Kohler illumination systems		8
Annex B (informative) Uncertainty of measurement of hardness-reference blocks		9
Bibliography		12
