

DIN EN ISO 6506-3:2006-03 (E)

Metallic materials - Brinell hardness test - Part 3: Calibration of reference blocks (ISO 6506-3:2005)

Contents		Page
Foreword		2
Introduction		4
1 Scope		5
2 Normative references		5
3 Manufacture of reference blocks		5
4 Calibration machine		6
5 Calibration procedure		7
6 Number of indentations		7
7 Uniformity of hardness		8
8 Marking		8
9 Validity		9
Annex A (informative) Uncertainty of measurement of hardness reference blocks		10
Bibliography		13
