DIN EN ISO 18453:2006-01 (E)

Natural gas - Correlation between water content and water dew point (ISO 18453:2004)

Contents

Page

Foreword 2

Introduction 4

1 Scope 5

2 Terms and definitions 5

3 Development of the correlation 6

4 Range of application and uncertainty of the correlation 7

5 Correlation 8

Annex A (normative) Thermodynamic principles 12

Annex B (informative) Traceability 19

Annex C (informative) Examples of calculations 21

Annex D (informative) Subscripts, symbols, units, conversion factors and abbreviations 23

Bibliography 25
