

DIN EN ISO 18453:2006-01 (E)

Natural gas - Correlation between water content and water dew point (ISO 18453:2004)

Contents		Page
Foreword		2
Introduction		4
1 Scope		5
2 Terms and definitions		5
3 Development of the correlation		6
4 Range of application and uncertainty of the correlation		7
5 Correlation		8
Annex A (normative) Thermodynamic principles		12
Annex B (informative) Traceability		19
Annex C (informative) Examples of calculations		21
Annex D (informative) Subscripts, symbols, units, conversion factors and abbreviations		23
Bibliography		25
