|---|------|
| Foreword | 4 |
| Endorsement notice..... | 4 |
| Introduction | 5 |
| 1 Scope..... | 6 |
| 2 Normative references | 6 |
| 3 Terms and definitions | 6 |
| 4 Abbreviated terms..... | 9 |
| 5 System configuration | 9 |
| 5.1 General | 9 |
| 5.2 System requirements..... | 11 |
| 5.2.1 General | 11 |
| 5.2.2 Installation | 11 |
| 5.2.3 System test | 13 |
| 5.2.4 System quality | 14 |
| 5.3 Equipment requirements..... | 15 |
| 5.3.1 Selection | 15 |
| 5.3.2 Handling..... | 17 |
| 5.3.3 Redress | 17 |
| 5.4 Documentation and data control..... | 18 |
| 5.4.1 General | 18 |
| 5.4.2 Retained documentation | 18 |
| 5.4.3 SSSV redress documentation..... | 19 |
| 5.4.4 Failure reporting documentation..... | 19 |
| Annex A (normative) SSSV Redress report (minimum data requirements)..... | 20 |
| A.1 General data..... | 20 |
| A.2 Redress test summary..... | 20 |
| A.2.1 SCSSVs | 20 |
| A.2.2 SSCSVs | 20 |
| Annex B (informative) Installation..... | 21 |
| B.1 General | 21 |
| B.2 Surface-controlled subsurface safety valve..... | 21 |
| B.2.1 Control line — Single completion..... | 21 |
| B.2.2 Control line — Multiple completions..... | 22 |
| B.3 Surface control system | 22 |
| B.4 Subsurface-controlled subsurface safety valves — Application to multiple and single completions | 23 |
| Annex C (informative) Operations..... | 24 |
| C.1 General | 24 |
| C.2 Operation and testing | 24 |
| C.3 Recommendations and required documentation | 24 |
| C.4 Review and responsibilities of ESD system testing..... | 25 |
| C.5 Important information on system shutdown..... | 25 |
| Annex D (informative) Sizing of subsurface-controlled safety valves | 26 |
| D.1 General | 26 |
| D.2 Velocity-type SSCSV | 26 |
| D.3 Low-tubing-pressure-type SSCSV..... | 27 |
| D.3.1 General | 27 |
| D.3.2 Flowing oil and gas wells | 27 |
| D.3.3 Gas-lift oil wells | 28 |

| | |
|---|-----------|
| Annex E (informative) SSSV Testing | 31 |
| E.1 Procedure for testing installed surface-controlled subsurface safety valves — Standard depth | 31 |
| E.2 Test procedure for installed surface-controlled subsurface safety valves — Deepwater installations | 32 |
| E.3 Test procedure for installed subsurface-controlled subsurface safety valves | 33 |
| Annex F (normative) Failure reporting | 34 |
| F.1 Failure reporting | 34 |
| F.2 Minimum information | 34 |
| Bibliography | 36 |
