## Paper, board and corrugated fibreboard - Description and calibration of fixed platen compression-testing equipment

---

<b>Contents</b>		<b>Page</b>
Foreword .....		iv
Introduction .....		v
1	Scope .....	1
2	Normative references .....	1
3	Terms and definitions .....	1
4	Principle .....	1
5	Apparatus .....	1
6	Verification and calibration .....	2
6.1	General .....	2
6.2	Upper and lower platen conditions .....	2
6.3	Operation speed .....	2
6.4	Load cell measurement system .....	2
7	Calibration report .....	2
Bibliography .....		4
