Protective clothing for protection against chemicals - Classification, labelling and performance requirements

Contents	Page
Foreword	iv
Introduction	v
1 Scope	1
2 Normative references	1
3 Terms and definitions	2
4 Classification and minimum testing of chemical protective clothing	3
5 Performance requirements of overall chemical protective clothing	6
6 Performance requirements of chemical protective clothing materials	12
7 Performance requirements of chemical protective clothing components and assemblies	22
8 Labelling	25
9 Instructions for use	26
10 Product technical information	27
Annex A (normative) Test subject exercises for practical performance evaluation	28
Annex B (normative) Pass-through strength and assemblage strength test	30
Annex C (normative) Airflow resistance test	31
Annex D (normative) Exhalation valve leakage test	33
Annex E (informative) Use of time to cumulative mass for reporting material permeation resistance	34
Annex F (normative) Abrasive paper specification	36
Annex G (normative) Material specimen leakage test	38
Bibliography	40
