Foreword 3

Introduction 4

1 Scope 5

2 Normative references 5

3 Terms and definitions 5

4 Prerequisites 5

5 Methods 5
5.1 General 5
5.2 Principle 6
5.3 Apparatus 6
5.3.1 General 6
5.3.2 Heater 6
5.3.3 Calibrated calorimeter/radiometer 6
5.3.4 Headform 6
5.3.5 Temperature sensing elements 6
5.4 Procedure 7
5.5 Report 7

Annex A (normative) Test results - Uncertainty of measurement 9

Annex B (informative) Significant technical changes between this European Standard and Annex ZA (informative) Relationship between this European Standard and the Essential Requirements of EU Directive 89/686/EEC Personal Protective Equipment 11
