ISO 17941:2015-03 (E)

Ships and marine technology - Hydraulic hinged watertight fireproof doors

Contents

Page

Foreword iv

Introduction v

1 Scope 1

2 Normative references 1

3 Classification and designation 1
3.1 Types 1
3.2 Structure and main dimensions 2
3.3 Manual hydraulic and electric-hydraulic system schematic diagram 4
3.4 Electrical system diagram 5
3.5 Designation 5

4 Requirement and inspection 5
4.1 Material 5
4.2 Appearance 5
4.3 Welds 6
4.4 Heat Treatment 6
4.5 Anti-corrosion 6
4.6 Tightness 6
4.6.1 Degrees of contact 6
4.6.2 Water pressure 6
4.7 System 6
4.8 Control 6
4.9 Flexibility 7
4.10 Alarm 7
4.11 Status indication 7
4.12 Inclination test 7
4.13 Fire resistance 8

5 Marking, packaging, transport, and storage 9
5.1 Marking 9
5.2 Packaging 9
5.3 Transportation and storage 9

Annex A (informative) Watertight door's hydraulic system schematic diagram 10

Annex B (informative) Watertight door's electrical system schematic diagram 11
