

ISO 17941:2015-03 (E)

Ships and marine technology - Hydraulic hinged watertight fireproof doors

Contents		Page
Foreword		iv
Introduction		v
1	Scope	1
2	Normative references	1
3	Classification and designation	1
3.1	Types	1
3.2	Structure and main dimensions	2
3.3	Manual hydraulic and electric-hydraulic system schematic diagram	4
3.4	Electrical system diagram	5
3.5	Designation	5
4	Requirement and inspection	5
4.1	Material	5
4.2	Appearance	5
4.3	Welds	6
4.4	Heat Treatment	6
4.5	Anti-corrosion	6
4.6	Tightness	6
4.6.1	Degrees of contact	6
4.6.2	Water pressure	6
4.7	System	6
4.8	Control	6
4.9	Flexibility	7
4.10	Alarm	7
4.11	Status indication	7
4.12	Inclination test	7
4.13	Fire resistance	8
5	Marking, packaging, transport, and storage	9
5.1	Marking	9
5.2	Packaging	9
5.3	Transportation and storage	9
Annex A (informative) Watertight door's hydraulic system schematic diagram		10
Annex B (informative) Watertight door's electrical system schematic diagram		11
