Foreword iv

Introduction v

1 Scope 1

2 Normative references 1

3 Terms and definitions 1

4 Abbreviated terms 1

5 Materials and equipment 1
5.1 General 1
5.2 Pressure rating 2
5.3 Non-metallic materials 2
5.4 Accessories 2

6 Workmanship 2

7 Dimensions 2

8 Marking 3

9 Quality assurance 4

10 Ordering information 4

11 Installation 4

Annex A (normative) Design of a flange for ballast water transfer systems of larger capacity 5

Annex B (informative) Alternate design of flange bolt hole arrangement 6

Bibliography 7
