Ships and marine technology - Embarkation ladders

Contents

Page

Foreword ... **iv**

Introduction ... **v**

1 Scope ... **1**

2 Normative references ... **1**

3 Terms and definitions ... **1**

4 Materials ... **1**

4.1 Wooden parts ... 1

4.2 Side ropes ... 2

4.2.1 General arrangement ... 2

4.2.2 Alternative side rope arrangement ... 2

4.3 Metallic materials ... 2

4.4 Step fixtures ... 2

4.5 Plastic materials ... 2

4.6 Quality of materials ... 2

4.7 Rope seizing ... 3

5 Constructions ... **3**

6 Testing and inspection ... **8**

6.1 Prototype test for approval ... 8

6.2 Product inspection ... 10

7 Designation ... **10**

8 Marking ... **11**

9 Production tests and inspections ... **11**

10 Maintenance ... **11**

Annex A (informative) **Recommended production tests and inspections** ... **12**

Annex B (informative) **Natural fibre rope embarkation ladders — Care and maintenance** ... **13**

Bibliography ... **18**
