DIN 15700:2017-04 (E)

Entertainment technology - Mobile equipotential bonding systems

Contents

Page

Foreword ... 3

Introduction ... 3

1 Scope ... 4

2 Normative references ... 4

3 Terms and definitions ... 4

4 Safety objectives ... 5

5 General requirements ... 6

6 Topology of the equipotential bonding system ... 7

7 Requirements ... 8
7.1 Cable selection ... 8
7.2 Minimum cross-section ... 8
7.3 Plug connections and their contacts ... 8
7.4 Distribution boards ... 8

8 Testing ... 8

Annex A (informative) Examples of the topologies of equipotential bonding systems ... 9

Bibliography ... 13
