

ISO 18923:2000-06 (E)

Imaging materials - Polyester-base magnetic tape - Storage practices

	Contents	Page
Foreword	v	
Introduction	vi	
1 Scope	1	
2 Normative references	1	
3 Terms and definitions	2	
4 Environmental conditions	5	
5 Materials	7	
6 Enclosures	7	
7 Preparation	8	
8 Storage housing	9	
9 Storage rooms	9	
10 Fire-protective storage	10	
11 Identification, inspection, and cleaning	10	
Annex A (informative) Numbering system for related International Standards	11	
Annex B (informative) Stability of cellulose triacetate base	12	
Annex C (informative) Distinction between master tapes and work copies	13	
Annex D (informative) Temperature/relative humidity relationship	14	
Annex E (informative) Temperature and humidity acclimatization	15	
Bibliography	17	
Table 1 Maximum temperature and relative humidity for storage	6
