Foreword iv

Introduction v

1 Scope 1

2 Normative references 1

3 Terms, definitions and abbreviations 2
3.1 Terms and definitions 2
3.2 Abbreviations 2

4 Requirements 2

5 Test procedures 2
5.1 Test target 2
5.2 Light stability test 3
5.3 Ozone gas stability test 4
5.4 Thermal stability test 4
5.5 Humidity fastness test in high humidity condition 4

6 Measurement 4

7 Data processing and graph creation 4
7.1 Data processing 4
7.2 Calculation of colour difference 5
7.3 Graph reporting 6
7.3.1 General 6
7.3.2 Light stability 7
7.3.3 Ozone gas stability 8
7.3.4 Thermal stability 9
7.3.5 Humidity fastness in high humidity conditions 9

8 Reporting 10
8.1 Internal recording 10
8.2 Reporting for external communications 11
