DIN EN ISO 4499-2:2010-10 (E)

Hardmetals - Metallographic determination of microstructure - Part 2: Measurement of WC grain size (ISO 4499-2:2008)

Contents

Page

Foreword 3

1 Scope 4

2 Normative references 5

3 Terms, definitions, abbreviations, symbols and units 5

4 General information 7

5 Apparatus 8

6 Calibration 9

7 Grain-size measurement by the linear-intercept method 9

8 Reporting 12

Annex A (informative) Measurement case study 14

Annex B (informative) Report proforma 18
