| <b>Contents</b>                                                                                                                  | <b>Page</b> |
|----------------------------------------------------------------------------------------------------------------------------------|-------------|
| Foreword .....                                                                                                                   | 3           |
| Introduction .....                                                                                                               | 4           |
| 1      Scope .....                                                                                                               | 5           |
| 2      Normative references .....                                                                                                | 5           |
| 3      Terms and definitions .....                                                                                               | 5           |
| 4      General requirements .....                                                                                                | 7           |
| 4.1    General principles .....                                                                                                  | 7           |
| 4.2    Protocol .....                                                                                                            | 8           |
| 4.3    Stability reports .....                                                                                                   | 8           |
| 5      Procedures .....                                                                                                          | 9           |
| 5.1    General .....                                                                                                             | 9           |
| 5.2    Real time stability evaluation .....                                                                                      | 10          |
| 5.3    Accelerated stability evaluation .....                                                                                    | 10          |
| Bibliography .....                                                                                                               | 11          |
| Annex ZA (informative) Relationship between this European Standard and the Essential Requirements of EU Directive 98/79/EC ..... | 12          |
