Foreword	iv
Introduction	v
1 Scope	1
2 Normative references	1
3 Terms and definitions	1
4 Overview of WTSS	3
4.1 Fundamental concept	3
4.2 Four types of WTSS	5
5 Open WTSS	5
5.1 Operational principles	5
5.2 Screening process	5
5.2.1 Registration	5
5.2.2 Examination	5
5.2.3 Specimen collection	5
5.2.4 Notification of test result	5
6 Negative pressure WTSS	6
6.1 Operational principles	6
6.2 Screening process	6
6.2.1 General	6
6.2.2 Registration and questionnaire	7
6.2.3 Examination	7
6.2.4 Specimen collection	7
6.2.5 Ventilation	7
6.2.6 Disinfection	8
6.2.7 Storage of the collected specimen	8
6.2.8 Notification of test result	9
7 Positive pressure WTSS	9
7.1 Operational principles	9
7.2 Screening process	9
7.2.1 Reservation	9
7.2.2 Registration	9
7.2.3 Medical examination	9
7.2.4 Specimen collection	10
7.2.5 After specimen collection	10
7.2.6 Disinfection	10
7.2.7 Notification of test result	10
8 Adaptable pressure	10
Annex A (informative) Example of WTSS -- Negative pressurized medical container	11
Bibliography	15
