DIN SPEC 19296:2026-02 (E)

Textiles - Investigation of biodegradability and ecotoxicity in soil under realistic conditions - Test method; Text in English

Contents

Page

Foreword 3

Introduction 4

1 Scope 5

2 Normative references 5

3 Terms and definitions 5

4 Principle 7

5 Apparatus 7
5.1 Apparatus for biodegradation in soil 7
5.2 Apparatus for ecotoxicological screening 7

6 Determination of the aerobic biodegradability in soil 8
6.1 General 8
6.2 Reference sample material 8
6.3 Preparation of textile sample and reference sample 8
6.4 Preparation of the test soil 9
6.5 Test procedure 9
6.6 Results 9

7 Ecotoxicological screening 10
7.1 General 10
7.2 Ecotoxicological screening – plant test 10
7.2.1 General 10
7.2.2 Sample preparation 10
7.2.3 Test procedure 10
7.2.4 Results 10
7.3 Ecotoxicological screening – earthworm test 11
7.3.1 General 11
7.3.2 Sample preparation 11
7.3.3 Test procedure 11
7.3.4 Results 11

8 Overall results 11

9 Report 11
