Foreword .....		4
1 Scope .....		5
2 Normative references .....		5
3 Terms and definitions .....		6
4 Dimensions .....		6
5 Technical delivery conditions .....		12
6 Minimum breaking force .....		13
7 Tensile testing .....		14
8 User information .....		14
9 Load-bearing capacity .....		14
10 Marking .....		16
11 Designation .....		17
Annex A (normative) User information .....		18
Annex B (informative) Relationship between this national document and the essential requirements of EC Directive 2006/42/EC .....		19
B.1 General .....		19
B.2 List of significant hazards .....		19
B.3 Type test .....		20
B.3.1 General .....		20
B.3.2 Deformation test .....		20
B.3.3 Static tensile test .....		22
B.4 Instructions for use .....		22
B.5 Assembly and operating instructions .....		22
B.5.1 Using lifting eye bolts .....		22
B.5.2 Correct fitting of lifting eye bolts .....		23
B.5.3 Inspection .....		23
B.5.4 Storage and handling .....		24
B.6 Declaration of conformity sample .....		26
