|-----------------------------------------------------------------------------------------------------------------------------------------------------|-------------|
| Foreword .....                                                                                                                                      | 3           |
| Introduction .....                                                                                                                                  | 5           |
| 1        Scope .....                                                                                                                                | 7           |
| 2        Normative references .....                                                                                                                 | 7           |
| 3        Terms and definitions .....                                                                                                                | 8           |
| 4        Interdependency of the parts of the series .....                                                                                           | 9           |
| 5        Quantities, symbols and units .....                                                                                                        | 9           |
| Annex A (informative) Using the standard .....                                                                                                      | 12          |
| Annex B (informative) Index .....                                                                                                                   | 22          |
| Annex X (informative) List of Essential Safety Requirements .....                                                                                   | 36          |
| Annex ZA (informative) Relationship between this European Standard and the essential requirements of Directive 2014/68/EU aimed to be covered ..... | 39          |
| Bibliography .....                                                                                                                                  | 40          |
