## Rubber- or plastics-coated fabrics - Determination of fogging characteristics of trim materials in the interior of automobiles

---

<b>Contents</b>		<b>Page</b>
Foreword .....		iv
1	Scope .....	1
2	Normative references .....	1
3	Principle .....	1
4	Materials .....	2
5	Apparatus .....	2
6	Test pieces and test samples .....	4
7	Conditioning .....	5
8	Procedure .....	5
8.1	Cleaning .....	5
8.2	Control tests .....	5
8.3	Arrangement of test pieces and test samples .....	6
8.4	Measurements prior to the fogging test .....	6
8.5	Fogging test .....	6
9	Expression of results .....	7
10	Precision .....	8
11	Test report .....	8
Annex A (informative) Precision results .....		9
Annex B (informative) Guidance on using precision results .....		10
Annex C (normative) DIDP reference liquid .....		11
Bibliography .....		12
