DIN EN ISO 26985:2012-04 (E)

Resilient floor coverings - Identification of linoleum and determination of cement content and ash residue (ISO 26985:2008)

Contents

Page

Foreword 3

1 Scope 4

2 Terms and definitions 4

3 Principles 4
3.1 Identification 4
3.2 Composition 4
3.2.1 Cement content 4
3.2.2 Ash residue 4

4 Apparatus and materials 5
4.1 Apparatus 5
4.2 Materials 5

5 Sampling and preparation of specimens 5
5.1 Sampling 5
5.2 Determination of cement content 5
5.3 Determination of ash residue 5

6 Atmosphere for conditioning and testing 5

7 Test procedure 6
7.1 Identification 6
7.2 Determination of cement content 6
7.3 Determination of ash residue 6

8 Calculation and expression of results 6
8.1 Identification 6
8.2 Determination of cement content 7
8.3 Determination of ash residue 7

9 Precision statement 7

10 Test report 7
