

DIN EN ISO 26985:2012-04 (E)

Resilient floor coverings - Identification of linoleum and determination of cement content and ash residue (ISO 26985:2008)

Contents		Page
Foreword		3
1	Scope	4
2	Terms and definitions	4
3	Principles	4
3.1	Identification	4
3.2	Composition	4
3.2.1	Cement content	4
3.2.2	Ash residue	4
4	Apparatus and materials	5
4.1	Apparatus	5
4.2	Materials	5
5	Sampling and preparation of specimens	5
5.1	Sampling	5
5.2	Determination of cement content	5
5.3	Determination of ash residue	5
6	Atmosphere for conditioning and testing	5
7	Test procedure	6
7.1	Identification	6
7.2	Determination of cement content	6
7.3	Determination of ash residue	6
8	Calculation and expression of results	6
8.1	Identification	6
8.2	Determination of cement content	7
8.3	Determination of ash residue	7
9	Precision statement	7
10	Test report	7
