

DIN EN 16245-4:2013-07 (E)

Fibre-reinforced plastic composites - Declaration of raw material characteristics - Part 4: Specific requirements for fabrics

Contents		Page
Foreword		3
1	Scope	4
2	Normative references	4
3	Terms and definitions and abbreviated terms	5
3.1	Terms and definitions	5
3.2	Abbreviated terms	5
4	Content of a declaration	5
5	Specific declaration requirements	5
5.1	General	5
5.2	Declaration for fabrics with continuous fibre	6
5.2.1	Declaration for uni-axial and multi-axial fabrics	6
5.2.2	Declaration for woven roving fabric	10
5.3	Declaration for fabrics with discontinuous fibre	10
5.4	Declaration for additional process/material	10
