DIN EN 15348:2015-01 (E)

Plastics - Recycled plastics - Characterization of poly(ethylene terephthalate) (PET) recyclates

Contents

Page

Foreword 3

Introduction 4

1 Scope 5

2 Normative references 5

3 Terms and definitions 5

4 Characterization of PET recyclates 6

5 Quality assurance 7

Annex A (normative) Determination of size and distribution of PET-R flakes by sieving 8

Annex B (normative) Gravimetric method for the determination of residual humidity (water content) 11

Annex C (normative) Rapid method for the determination of residual impurities 13

Annex D (informative) Potentiometric method for the determination of the residual alkalinity 15

Annex E (informative) Method for the determination of infusible impurities by filtration 17
