

DIN EN 15348:2015-01 (E)

Plastics - Recycled plastics - Characterization of poly(ethylene terephthalate) (PET) recyclates

Contents		Page
Foreword		3
Introduction		4
1 Scope		5
2 Normative references		5
3 Terms and definitions		5
4 Characterization of PET recyclates		6
5 Quality assurance		7
Annex A (normative) Determination of size and distribution of PET-R flakes by sieving		8
Annex B (normative) Gravimetric method for the determination of residual humidity (water content)		11
Annex C (normative) Rapid method for the determination of residual impurities		13
Annex D (informative) Potentiometric method for the determination of the residual alkalinity		15
Annex E (informative) Method for the determination of infusible impurities by filtration		17
Bibliography		19
