

DIN EN 15348:2015-01 (E)

Plastics - Recycled plastics - Characterization of poly(ethylene terephthalate) (PET) recyclates

Contents	Page
Foreword	3
Introduction	4
1 Scope	5
2 Normative references	5
3 Terms and definitions	5
4 Characterization of PET recyclates	6
5 Quality assurance	7
Annex A (normative) Determination of size and distribution of PET-R flakes by sieving	8
Annex B (normative) Gravimetric method for the determination of residual humidity (water content)	11
Annex C (normative) Rapid method for the determination of residual impurities	13
Annex D (informative) Potentiometric method for the determination of the residual alkalinity	15
Annex E (informative) Method for the determination of infusible impurities by filtration	17
Bibliography	19
