

DIN EN 1081:2019-03 (E)

Resilient, laminate and modular multilayer floor coverings - Determination of the electrical resistance

Contents		Page
European foreword		3
1	Scope.....	4
2	Normative references.....	4
3	Terms and definitions.....	4
4	Sampling.....	5
5	Apparatus and reagents	5
6	Method A — For vertical resistance, R1.....	7
7	Method B - For resistance to earth, R2	8
8	Method C for surface resistance, R3.....	9
9	Calculation and expression of results	10
10	Test report.....	11
