ISO 22526-1:2020-01 (E)

Plastics - Carbon and environmental footprint of biobased plastics - Part 1: General principles

Contents

Page

Foreword ..... **iv**

Introduction ..... **v**

1 Scope **1**

2 Normative references **1**

3 Terms and definitions **1**

4 General principles **2**

5 Carbon and environmental footprint of biobased plastics **2**

5.1 Principle 2

5.2 Material carbon footprint 2

5.3 Process carbon footprint 5

5.4 Environmental (total) footprint (life cycle assessment) 5

5.5 System boundaries of the ISO 22526 series 5

Bibliography **7**
