## Plastics pipes and fittings for industrial applications - Collection of data on combined chemical-resistance

---

<b>Contents</b>	<b>Page</b>
Foreword.....	iv
Introduction.....	vi
1 Scope.....	1
2 Normative references.....	2
3 Terms and definitions .....	2
4 Symbols used to describe the fluids .....	2
5 Chemical resistance classification .....	3
5.1 General.....	3
5.2 Procedure .....	4
5.3 Performances .....	4
Bibliography .....	215
