Foreword iv

Introduction v

1 Scope 1

2 Normative references 2

3 Terms and definitions 2

4 Requirements 5
4.1 Design 5
4.1.1 General 5
4.1.2 Materials 5
4.1.3 Pressure ranges 5
4.1.4 Minimum/maximum operating temperatures Tmin/Tmax 6
4.1.5 Pipes 6
4.1.6 Pipeline components 8
4.2 Construction 10
4.2.1 Handling, transport and storage 10
4.2.2 Jointing 10
4.3 Laying 12
4.3.1 General 12
4.3.2 Open-trench installation 12
4.3.3 Trenchless installation 13
4.3.4 Stopping the gas flow 13

5 Tests on site 13
5.1 General 13
5.2 Pressure test 13

Annex A (informative) Assessment of lifetime using Miner's rule 15
