

# DIN EN 15343:2008-02 (E)

## Plastics - Recycled Plastics - Plastics recycling traceability and assessment of conformity and recycled content

---

| <b>Contents</b>    |   | <b>Page</b> |
|--------------------|---|-------------|
| Foreword .....     |   | 3           |
| Introduction ..... |   | 4           |
| 1                  | Scope .....                                       | 6           |
| 2                  | Normative references .....                        | 6           |
| 3                  | Terms, definitions and abbreviated terms .....    | 6           |
| 4                  | Methodology and procedures .....                  | 7           |
| 4.1                | Control of input material .....                   | 7           |
| 4.2                | Control of the recyclate production process ..... | 7           |
| 4.3                | Plastics recyclate characterisation .....         | 7           |
| 4.4                | Traceability .....                                | 7           |
| 5                  | Quality assurance .....                           | 8           |
| 6                  | Recycled content .....                            | 9           |
| Bibliography ..... |   | 10          |
