Foreword 3

1 Scope 4

2 Normative references 4

3 Terms and definitions 4

4 Measurements 4
4.1 Measuring conditions 4
4.2 Measurement of illuminance 4
4.2.1 Illuminance meter 4
4.2.2 Procedure 5
4.3 Measurement of luminance as a function of time 5
4.3.1 General 5
4.3.2 Measurement of luminance by the contact method 5
4.3.3 Determining the luminance by measuring illuminance 6
4.3.4 Effect of stray light 6
4.3.5 Procedure 7

5 Measurement report 7

Annex A (informative) Example of measurement report 9

Bibliography 11

Tables Table 1 -- Minimum requirements for the luminance of installed components 7
