ISO 22444-1:2020 (E)

Rare earth — Vocabulary — Part 1: Minerals, oxides and other compounds

Contents

Foreword

Introduction

1 Scope

2 Normative references

3 Terms and definitions

4 Terms related to rare earth minerals and ore

4.1 Rare earth minerals
4.2 Rare earth ores and concentrate

5 Terms related to rare earth oxides and other compounds

5.1 General terms
5.2 Rare earth compounds

6 Terms related to the rare earth production process

6.1 Production of rare earth concentrate
6.2 Rare earth hydrometallurgy

Annex A (informative) Characteristics of rare earth elements and individual rare earth oxides
