

# DIN 17750:2021-05 (E)

## Strips and sheets of wrought nickel and nickel alloys - Properties

---

| <b>Contents</b> |  | <b>Page</b> |
|-----------------|--|-------------|
|                 | Foreword .....                                       | 3           |
| 1               | Scope .....  | 4           |
| 2               | Normative references .....                           | 4           |
| 3               | Terms and definitions .....                          | 4           |
| 4               | Ordering details .....                               | 5           |
| 5               | Mechanical properties (at ambient temperature) ..... | 5           |
| 6               | Chemical composition .....                           | 5           |
| 7               | Dimensions, tolerances on dimensions and form .....  | 5           |
| 8               | Testing of mechanical properties .....               | 5           |
|                 | Bibliography .....                                   | 10          |
|                 | Tables Table 1 -- Mechanical properties .....        | 6           |
