DIN 17850:2023-10 (E)

Titanium - Chemical composition

Contents

Page

Foreword 3

1 Scope 4

2 Normative references 4

3 Terms and definitions 4

4 Designation 4

5 Chemical composition 4
5.1 Ladle analysis 4
5.2 Product analysis 5

6 Semi-finished products 5

7 Analysis of chemical composition 6

Bibliography 7

Tables Table 1 -- Chemical composition of titanium as determined by ladle analysis 5

Table 2 -- Tolerances in the product analysis for the limit values specified in Table 1 for the ladle analysis 5

Table 3 -- Semi-finished products 6
