## Titanium - Chemical composition

---

<b>Contents</b>		<b>Page</b>
Foreword .....		3
1	Scope .....	4
2	Normative references .....	4
3	Terms and definitions .....	4
4	Designation .....	4
5	Chemical composition .....	4
5.1	Ladle analysis .....	4
5.2	Product analysis .....	5
6	Semi-finished products .....	5
7	Analysis of chemical composition .....	6
Bibliography .....		7
Tables Table 1 -- Chemical composition of titanium as determined by ladle analysis .....		5
Table 2 -- Tolerances in the product analysis for the limit values specified in Table 1 for the ladle analysis .....		5
Table 3 -- Semi-finished products .....		6
