

DIN EN 15020:2011-01 (E)

Railway applications - Rescue coupler - Performance requirements, specific interface geometry and test methods (includes Amendment A1:2010)

Contents	Page
Foreword.....	3
1 Scope	4
2 Normative references	4
3 Terms and definitions	4
4 Product requirements	5
5 Test requirements.....	8
Annex A (informative) Automatic coupler.....	10
Annex B (normative) Rescue coupler.....	14
Annex C (informative) Characteristics of the rescue vehicle	18
Annex D (informative) Air pipe coupling heads	21
Annex ZA (informative) ZA Relationship between this European Standard and the Essential Requirements of EU Directive 2008/57/EC of the European Parliament and of the Council of 17 June 2008 on the interoperability of the rail system within the Community (Recast) ZA	24
