Foreword 3

1 Scope 4

2 Normative references 4

3 Terms and definitions 4

4 Requirements 4
4.1 On vehicles 4
4.1.1 Water system 4
4.1.2 Coupling for water supply 5
4.1.3 Protection of coupling 7
4.1.4 Drainage 7
4.1.5 Drinking water system 7
4.2 On railway infrastructure 7
4.2.1 Depot supply hose to vehicle 7
4.2.2 Protection of end of supply hose 7
4.2.3 Water supply and equipment 8
4.2.4 Security of supply 8
4.2.5 Frost protection 8
4.3 Information and instruction 8
4.3.1 For railway vehicles 8
4.3.2 For fixed installations 8

Annex A (informative) Water level indication for railway vehicles 10

A.1 Water level indicator 10
A.1.1 General 10
A.1.2 Mechanical water level indicator 10
A.1.3 Electrical water level indicator 12
A.1.4 Low water level indicator 12
A.2 Electrical filling stop function 12

Annex B (informative) Water coupling cover 13

Annex C (normative) Test procedure 14

Annex ZA (informative) Relationship between this European Standard and the Essential Requirements of EU Directive 2008/57/EC 15
