

Railway applications - Driving simulator for drivers' training

| Contents | Page |
|---|------|
| Foreword | v |
| Introduction | vi |
| 1 Scope | 1 |
| 2 Normative references | 1 |
| 3 Terms and definitions | 1 |
| 3.1 General | 1 |
| 3.2 Actors | 1 |
| 3.3 Training functions and training states | 2 |
| 3.4 Simulated items | 3 |
| 3.5 Visual characteristics and functions | 4 |
| 3.6 Simulator items | 5 |
| 4 Conceptual considerations for simulator | 5 |
| 4.1 General | 5 |
| 4.2 Purpose of simulator | 6 |
| 4.3 Classification of simulators | 6 |
| 4.4 Simulator operating modes | 8 |
| 4.4.1 General | 8 |
| 4.4.2 Training mode | 8 |
| 4.4.3 Supporting mode | 10 |
| 4.5 Simulated guided transport system and environment | 11 |
| 4.5.1 General | 11 |
| 4.5.2 Simulated train | 11 |
| 4.5.3 Simulated line and environment | 11 |
| 5 Required functions and performance for training mode | 12 |
| 5.1 General | 12 |
| 5.2 Simulated guided transport system and environment | 12 |
| 5.2.1 Simulated train | 12 |
| 5.2.2 Controlled trains and automatic managed trains | 13 |
| 5.2.3 Simulated line and environment | 13 |
| 5.3 Perception | 15 |
| 5.3.1 General | 15 |
| 5.3.2 Visual system | 15 |
| 5.3.3 Sound | 17 |
| 5.3.4 Motion | 18 |
| 5.4 Control and monitor including training scenario | 18 |
| 5.4.1 General | 18 |
| 5.4.2 Control and monitor | 18 |
| 5.4.3 Training scenario | 20 |
| 6 Required functions and performance for supporting mode | 21 |
| 6.1 General | 21 |
| 6.2 Training administration (training scenario editor, line editor, others) | 22 |
| 6.2.1 General | 22 |
| 6.2.2 Training scenario editor | 22 |
| 6.2.3 Line editor | 23 |
| 6.2.4 Others | 23 |

| | | |
|---|---|-----------|
| 6.3 | Maintenance administration | 23 |
| 6.3.1 | General | 23 |
| 6.3.2 | Minimum requirements | 24 |
| 6.3.3 | Best practice options | 24 |
| 7 | Required functions and performance for computer system and auxiliary simulator equipment | 24 |
| 7.1 | General | 24 |
| 7.2 | Computer system | 24 |
| 7.2.1 | Minimum requirements | 24 |
| 7.2.2 | Best practice options | 25 |
| 7.3 | Interfaces | 25 |
| 7.3.1 | Internal interfaces | 25 |
| 7.3.2 | External interfaces | 25 |
| 7.4 | Auxiliary simulator equipment | 26 |
| 7.4.1 | Minimum requirements | 26 |
| 7.4.2 | Best practice options | 26 |
| 8 | Requirements for simulator installation | 26 |
| 8.1 | General | 26 |
| 8.2 | Minimum requirements | 26 |
| 8.3 | Best practice options | 27 |
| 9 | Maintainability | 27 |
| 9.1 | General | 27 |
| 9.2 | Minimum requirements | 27 |
| 9.3 | Best practice options | 27 |
| 10 | Data and documents for simulation | 27 |
| 10.1 | General | 27 |
| 10.2 | Minimum requirements | 27 |
| 10.3 | Best practice options | 28 |
| Annex A (informative) Reviews | 29 | |
| Annex B (informative) Acceptance tests | 30 | |
| Annex C (informative) Documents | 31 | |
| Annex D (informative) Training for use and maintenance | 32 | |
