| Foreword .....     |  | 4           |
| Introduction ..... |  | 5           |
| 1                  | Scope .....  | 6           |
| 2                  | Normative references .....                             | 8           |
| 3                  | Terms and definitions .....                            | 9           |
| 4                  | Designation .....                                      | 9           |
| 5                  | Marking .....  | 9           |
| 6                  | Materials .....  | 9           |
| 6.1                | Chemical and hygienic requirements .....               | 9           |
| 6.2                | Exposed surface condition and quality of coating ..... | 9           |
| 7                  | Dimensional characteristics .....                      | 10          |
| 7.1                | General .....  | 10          |
| 7.2                | Connecting dimensions .....                            | 10          |
| 7.3                | Special cases .....                                    | 11          |
| 8                  | Hydraulic characteristics .....                        | 11          |
| 8.1                | General .....  | 11          |
| 8.2                | Flow rate .....  | 11          |
| 8.2.1              | Test method .....                                      | 11          |
| 8.2.2              | Principle .....  | 11          |
| 8.2.3              | Apparatus .....  | 12          |
| 8.2.4              | Procedure .....  | 12          |
| 8.2.5              | Requirements .....                                     | 12          |
| 9                  | Mechanical and leaktightness characteristics .....     | 13          |
| 9.1                | General .....  | 13          |
| 9.2                | Tensile strength .....                                 | 13          |
| 9.2.1              | Test method .....                                      | 13          |
| 9.2.2              | Principle .....  | 13          |
| 9.2.3              | Apparatus .....  | 13          |
| 9.2.4              | Procedure .....  | 14          |
| 9.2.5              | Requirements .....                                     | 14          |
| 9.3                | Flexing durability test .....                          | 14          |
| 9.3.1              | Test Method .....                                      | 14          |
| 9.3.2              | Principle .....  | 14          |
| 9.3.3              | Apparatus .....  | 14          |
| 9.3.4              | Procedure .....  | 15          |
| 9.3.5              | Requirement .....                                      | 16          |
| 9.4                | Durability test .....                                  | 16          |
| 9.4.1              | Test Method .....                                      | 16          |
| 9.4.2              | Principle .....  | 16          |
| 9.4.3              | Apparatus .....  | 16          |
| 9.4.4              | Procedure .....  | 16          |

|   |   |    |
|---|---|----|
| 9.4.5   | Requirement .....                                 | 16 |
| 9.5   | Pressure resistance at elevated temperature ..... | 17 |
| 9.5.1   | Test method .....                                 | 17 |
| 9.5.2   | Principle .....                                   | 17 |
| 9.5.3   | Apparatus .....                                   | 17 |
| 9.5.4   | Procedure .....                                   | 18 |
| 9.5.5   | Requirements .....                                | 19 |
| 9.6   | Thermal shock test .....                          | 19 |
| 9.6.1   | Test method .....                                 | 19 |
| 9.6.2   | Principle .....                                   | 19 |
| 9.6.3   | Apparatus .....                                   | 19 |
| 9.6.4   | Procedure .....                                   | 20 |
| 9.6.5   | Requirements .....                                | 20 |
| 10  | Rotary connection .....                           | 20 |
| 10.1  | General .....                                     | 20 |
| 10.2  | Test Method .....                                 | 20 |
| 10.2.1  | Principle .....                                   | 20 |
| 10.2.2  | Apparatus .....                                   | 20 |
| 10.2.3  | Procedure .....                                   | 21 |
| 10.2.4  | Requirements .....                                | 21 |
| Annex A (informative) Pressure take-off tee ..... |   | 22 |
| Bibliography .....                                |   | 25 |
