## Industrial valves - Lined metal quarter turn and check valves for chemical process and related industries

---

<b>Contents</b>		<b>Page</b>
Foreword .....		iv
Introduction .....		v
1	Scope .....	1
2	Normative references .....	1
3	Terms and definitions .....	2
4	Pressure/temperature ratings .....	3
5	Design .....	3
5.1	Body wall thickness .....	3
5.2	Lining and seat materials .....	4
5.3	Liner anchoring .....	4
5.4	Minimum lining thickness .....	4
5.5	Shaft .....	4
5.6	Dimension and tolerances of body ends .....	4
5.6.1	Dimensions of flanges .....	4
5.6.2	Face-to-face dimensions .....	4
5.6.3	Flange facing type and dimension .....	4
6	Marking .....	5
7	Inspection and testing .....	6
7.1	Lining test .....	6
7.1.1	Visual inspection .....	6
7.1.2	Porosity test .....	6
7.1.3	Anti-static test .....	6
7.2	Pressure test .....	6
7.3	Allowable closure test leakage rate .....	6
7.4	Additional examination .....	6
Bibliography .....		7
