

ISO 19240:2017-05 (E)

Industrial valves - Lined metal quarter turn and check valves for chemical process and related industries

Contents	Page
Foreword	iv
Introduction	v
1 Scope	1
2 Normative references	1
3 Terms and definitions	2
4 Pressure/temperature ratings	3
5 Design	3
5.1 Body wall thickness	3
5.2 Lining and seat materials	4
5.3 Liner anchoring	4
5.4 Minimum lining thickness	4
5.5 Shaft	4
5.6 Dimension and tolerances of body ends	4
5.6.1 Dimensions of flanges	4
5.6.2 Face-to-face dimensions	4
5.6.3 Flange facing type and dimension	4
6 Marking	5
7 Inspection and testing	6
7.1 Lining test	6
7.1.1 Visual inspection	6
7.1.2 Porosity test	6
7.1.3 Anti-static test	6
7.2 Pressure test	6
7.3 Allowable closure test leakage rate	6
7.4 Additional examination	6
Bibliography	7
