Foreword iv

Introduction v

1 Scope 1

2 Terms and definitions 1

3 Classification 4
3.1 Coverage zone classification 4
3.2 Target vehicle closing speed classification 5

4 Functional requirements 8
4.1 LCDAS state diagram 8
4.2 System performance 10
4.3 User interface 15
4.4 Operation with trailers 16
4.5 Self-test requirements 16

5 Test requirements 16
5.1 Test target vehicle 16
5.2 Environmental conditions 16
5.3 Blind spot warning test requirements 16
5.4 Closing vehicle warning test requirements 24
5.5 Lane change warning test requirements 29

Annex A (informative) Blind spot warning example cases 34
