Foreword 3

Introduction 4

1 Scope 5

2 Normative references 5

3 Terms and definitions 6

4 Identification system and its associated marks 6
4.1 Identification system 6
4.2 Identification of the owner 6
4.3 Serial number 7
4.4 Check digit 7

5 Physical display of marks 7
5.1 Size and colour of marks 7
5.2 Layout and location of marks 7
5.2.1 General 7
5.2.2 Layout of marks 7
5.2.3 Location of marks 7

Annex A (normative) Determination of check digit 9

A.1 General 9
A.2 Numerical equivalents of ILU identification system, and serial number 9
A.3 Weighting factor 9
A.4 Modulus 9
A.5 Value of check digit 10
A.6 Example calculation of the check digit 10
