Foreword 4

Introduction 5

1 Scope 6

2 Normative references 6

3 Terms and definitions 7

4 Abbreviations 9

5 Interoperability Issues 10
5.1 Interoperability based on EFC Roles Model 10
5.2 Interoperability and Payment 11

6 Classification of Pre-Pay solutions 11
6.1 Pre-Pay Account held in Central System 11
6.2 Pre-Pay Account held on OBE 12

7 Requirements for Pre-Pay account held in Central Systems 13
7.1 General 13
7.2 Business Process Requirements 13
7.2.1 General 13
7.2.2 Issuing of an EFC contract to the Service User 13
7.2.3 Personalisation of OBE 15
7.2.4 Loading of value onto an account 15
7.2.5 Charging of Toll 17
7.2.6 Invoicing of the Service User 17
7.2.7 Refund of residual amount 17
7.2.8 Clearing of Transactions 18
7.2.9 Handling of Complaints 18
7.2.10 Security Considerations 18
7.3 Technical Requirements 18
7.3.1 Requirements for OBE 18
7.3.2 Requirements for POS Networks 18
7.3.3 Requirements for Information and Payment Flow (Interfaces) 19
7.4 Legal and Functional Constraints 19
7.4.1 Legal Considerations 19
7.4.2 Functional Constraints 21

8 Requirements for Pre-Pay account held on OBE 22
8.1 Prerequisites 22
8.2 Business Process Requirements 22
8.2.1 Issuing of the Pre-Pay mode 22
8.2.2 Personalisation of OBE 22
8.2.3 Loading of stored value onto a VBD 23
8.2.4 Loading of stored value into the OBE 23
8.2.5 Charging of the toll 24
8.2.6 Clearing of transactions 26
8.2.7 Hotlisting / Enforcement 27

8.2.8 Invoicing of the Service User 27
8.2.9 Refund of residual amount 28
8.2.10 Proof of Transactions 28
8.2.11 Handling of Complaints 28
8.2.12 Security Considerations 28
8.3 Technical Requirements 29
8.3.1 Requirements for Value Unit bearing User Media 29
8.3.2 Requirements for OBE 30
8.3.3 Requirements for POS Networks 31
8.3.4 Requirements for Information and Payment Flow (Interfaces) 31
8.4 Legal and Functional Constraints 31
8.4.1 Legal Considerations 31
8.4.2 Functional constraints 33

9 Invoicing of the Service User 34
9.1 General 34
9.2 VAT considerations 34
9.3 Business model considerations 35
9.4 Invoice considerations 35

10 Gaps in terms of Standards and recommendations 37
10.1 Pre-Pay Account held in Central System 37
10.2 Pre-Pay Account held on OBE 37
10.3 Recommendation for next steps 37

Annex A (informative) Examples of implementations 38
